

ART AND DESIGN

Next year you will be given a sketchbook to keep all of your class work in.

Task: Design a cover for your sketchbook. This can be stuck in when you start next year. You can put anything you like on the cover. It can be a collection of images from the internet or magazines. It could contain words, doodles, drawings, your name, anything. You can use any materials that you have at home (paint, collage, coloured pencil, felt tips, computer etc.).

Your cover must be no bigger than A4 size to make sure that it fits in your sketchbook.
