

Life as a Roman Gladiator

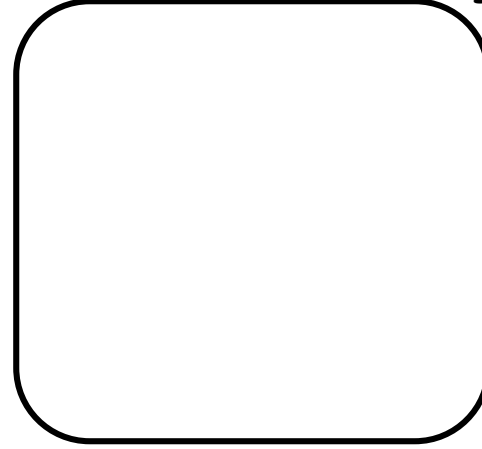

As we watch TV, and play video games for entertainment today, the Romans would watch Gladiator fights in the Coliseum for fun back then! As we go through the events of a Gladiator fight, add the images!

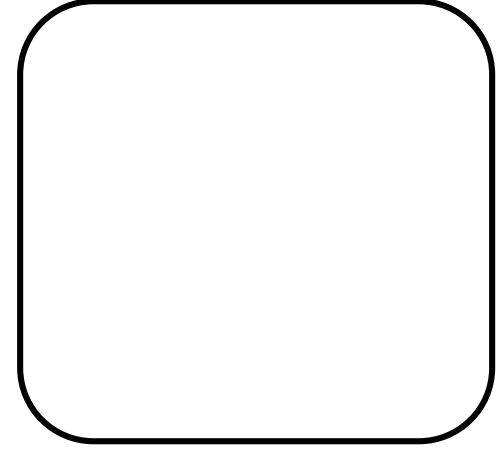

Many gladiators were criminals. But some were professionals. Name your gladiator: _____

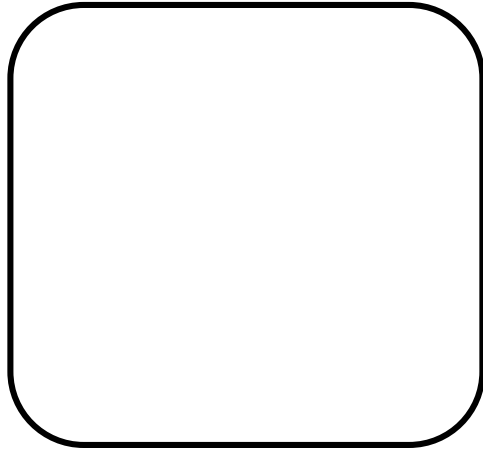

Gladiators would practice with many weapons, such as swords shields and nets!
Your weapon is: _____

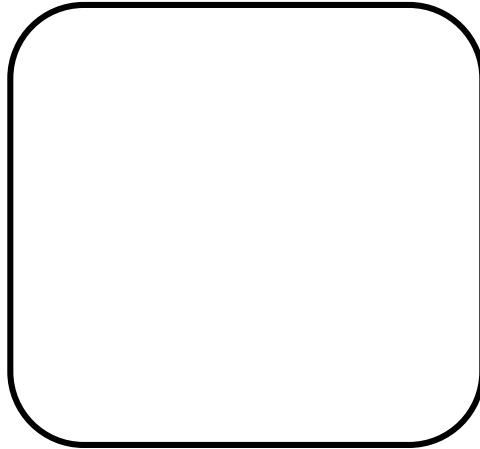

There would be a massive crowd to cheer you on!!

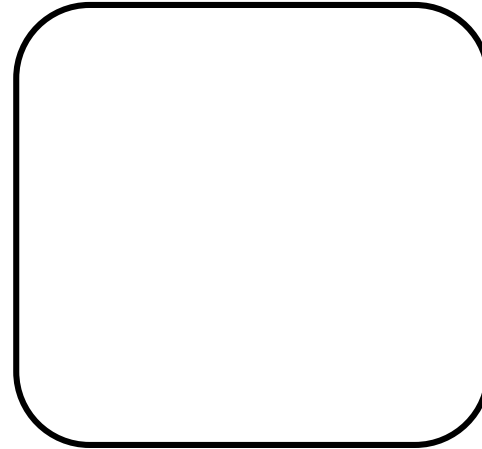

Your first battle is against an animal. Many wild animals would be included.
You are a fighting a: _____

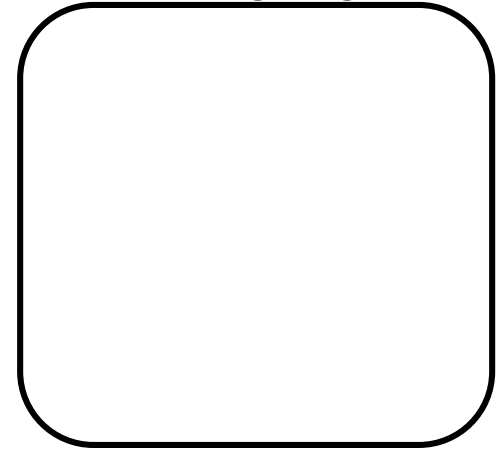

Your second battle is another gladiator! Their weapons are: _____

Your enemy is on the floor. The crowd decide if your opponent lives or dies!

Thumbs up mean your enemy will live. Thumbs down mean they die. Your crowd chooses: _____

You have won your battle! Celebrate your victory.
